SPECIAL OPERATIONS WARRIOR FOUNDATION GOLF TOURNAMENT
THURSDAY, NOVEMBER 5, 2020**

Due to Covid-19, we have changed some things regarding registration for the tournament. It is very important to follow all of the instructions to facilitate the registration of your team. If you have any questions, you can contact the pro shop or Steve Riordan (sriordan99@gmail.com, 727-773-7259) or Mike Meza (controller@idsycc.com)

Registration:

Team registration is only done through submission of the registration form delivered to the Isla del Sol's Controller's office with complete information via email, fax, mail or hand-delivery. Any missing information could delay registration and result in the team losing its preferred tee time.

Tee Times:

Due to the Covid-19 cart restrictions, your preferred tee time may have limited space available. First priority will be given to Sponsors of the Tournament. All others will be assigned on a "first come, first served" basis. It is very important that you specify your 1st AND 2nd tee time choice.

Payment:

For Isla del Sol members, payments may be charged to their club account. Please note the club member number to be charged for each player. Alternatively, the member may pay by personal or business check.

For non-members and businesses, payments may be made by company check or credit card.

Mulligans:

A maximum of TWO (2) Mulligans may be purchased for use during the scramble. The mulligans are "individual" and are not transferable to another player on the team. The Mulligans are \$10 each and can be paid for with this form or by visiting the Qtego site (details forthcoming) anytime before play begins. In the box on the registration form, please fill "0", \$10 or \$20.

Raffle:

There is only one large raffle prize. The raffle prize will be a set of premium irons with an SOWF red, white & blue golf bag. Details TBD. The tickets are \$5 each or five (5) for \$20. They can be purchased with this form or by visiting the Qtego website (details forthcoming). Tickets are available until 5pm on Thursday. The winning number will be generated automatically by Qtego and announced the night of the dinner. In the box on the registration form, please enter the dollar (\$) amount you would like to purchase.

Cart Sharing:

Isla del Sol Y&CC has updated its policy regarding the number of players per cart. As of September 25th, the Club is requiring two players per cart. If anyone feels uncomfortable with this, they can request that the cart be outfitted with a plastic shield between the two players.

Handicap:

If you are a member of Isla del Sol Y&CC, you do not have to enter this info. The pro shop has it on file. For all guests, please provide your official USGA Handicap Index. If you do not have one, simple write "none".
