The Ken Duke & Friends Foundation has donated over \$1,000,000 to worthy charities, making a positive impact on veterans and their families, at-risk teens, and children with special needs. Your support of this event allows us to continue our mission and raise funds and awareness for organizations that are changing lives both locally and nationally.

SUPPORTED CHARITIES FOR 2023

Els for Autism Foundation was established in 2009 by Liezl Els, Ernie Els, and Marvin R. Shanken. The Els' son, Ben, is impacted by autism spectrum disorder, which affects 1 in 44 children in the U.S. The Foundation offers innovative, evidence-based programs for families and individuals across the life-span in six focus areas: Education, Research, Global Support, Recreation Services, Adult Services and Therapy Services.

Special Operations Warrior Foundation ensures complete post-secondary educational support and additional educational opportunities "cradle to career," for eligible surviving children of fallen Special Operations Personnel and children of all Medal of Honor Recipients; and provides immediate financial assistance to severely wounded, ill, and injured Special Operations Personnel – today and in the future.

FOLDS of HONOR

Folds of Honor has carried forth this singular, noble mission. To stand in the financial gap of the more than one million dependents adversely affected by war by providing educational scholarships to the children and spouses of those killed or disabled while serving our nation.

First Tee Treasure Coast's mission is to impact the lives of young people, including those with special needs, and Veterans, by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf.

Nicklaus Children's
Health Care Foundation

The Nicklaus Children's Healthcare Foundation was created in 2004 by Barbara and Jack Nicklaus, and has raised over \$165 million towards its mission to support pediatric care initiatives throughout South Florida, nationally and abroad. Most notably, the Foundation helps support renowned Nicklaus Children's Hospital with a main campus in Miami, and a partnership for pediatric services at Jupiter Medical Center. In addition, there are as many as 20 outpatient and urgent-care facilities from Monroe to Martin County that make Nicklaus Children's Health System. For more information or to donate, please visit nchcf.org
