Evening Overview

Saturday, October 5th, 2024
6:00 - 9:30 PM

Join us for a star-studded, lively, and motivational evening benefiting Special Operations Warrior Foundation and the families we support. Kicking off at 6:00PM, join event hosts, Cole Hauser and Forrie Smith, co-stars of the Paramount hit drama *Yellowstone*, for an open bar cocktail hour, a silent auction with unique items, and passed appetizers.

At 7:00PM, join our emcee, journalist Catherine Herridge (Emmy Award-winning veteran investigative correspondent who covers national security and intelligence), as we learn about SOWF programs through the eyes of students, family members, leadership, and supporters. Our keynote speaker for this year is retired Navy Seal, current NASA Astronaut and Harvard educated Doctor of Medicine, Jonny Kim. We will close out the program with once-in-a-lifetime live auction package opportunities.

We hope you can join us for this wonderful event! Please visit: www.specialops.org to learn more about Special Operations Warrior Foundation.
