

THE SPECIAL OPERATIONS WARRIOR FOUNDATION

The Foundation's family services department notifies, counsels and comforts families of fallen and severely injured warriors.

Scholarships for the children of fallen Special Operations Soldiers, Sailors, Airmen and Marines: Tuition, books, fees, supplies, expenses, room and board with the intent to provide an education for the soldiers children to cover the full cost of a college education across the nation, including state and community colleges, vocational-technical training and career institutes. Note: These are not loans to be paid back.

Financial Assistance: The Foundation provides an immediate \$3,000.00 to the families to help offset the financial needs of severely injured service men and women.

Emotional and Psychological Assistance: Support is offered with intervention groups to help the fallen warrior and his/her family in the event of an injury, as well as condolences and direction in the event of a fatality.

The Special Operations Warrior Foundation provides full scholarship grants and educational and family counseling to the surviving children of special operations personnel who die in operational or training missions and immediate financial assistance to severely wounded special operations personnel and their families
